

## Technical Sheet

### Silhouette - Cameo Electronic Cutting System, Desktop - White

- The new Silhouette Cameo 5 12-inch vinyl cutting machine/plotter is a full redesign of the CAMEO 12-inch-wide cutter. Now quieter and more precise than ever before.
- IPT Technology: optimizes cut orders, providing a tension-free cutting experience for all materials. Multi-layered cuts and sharp angles are achieved without tearing or rounding corners, elevating your designs to a professional level.
- New Tool Options: New electric tool options expand the creative possibilities in addition to cutting and sketching
- SNA: Silhouette New Architecture means precision, more precise cuts on a new belt driven chassis.
- 12 inch cutting machine, 1-year limited warranty
- Item Dimensions D x W x H 63.5D x 27.9W x 22.9H centimeters
- Active Surface Area 30.48 cm x 30.48 cm
- Item Weight 3.67 kg
